**Notification of Non-Compliant Appeal Brief
(37 CFR 41.37)**

Application No.

09/810,716

Applicant(s)

CHIANG, HIANG-SWEE

Examiner

William Wood

Art Unit

2193

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--

The Appeal Brief filed on 30 January 2007 is defective for failure to comply with one or more provisions of 37 CFR 41.37.

To avoid dismissal of the appeal, applicant must file an amended brief or other appropriate correction (see MPEP 1205.03) within **ONE MONTH or THIRTY DAYS** from the mailing date of this Notification, whichever is longer.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136.

1. ☒ The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order.
2. ☒ The brief does not contain a statement of the status of all claims, (e.g., rejected, allowed, withdrawn, objected to, canceled), or does not identify the appealed claims (37 CFR 41.37(c)(1)(iii)).
3. ☐ At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)).
4. ☒ (a) The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; and/or (b) the brief fails to: (1) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(v)).
5. ☐ The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi)).
6. ☒ The brief does not present an argument under a separate heading for each ground of rejection on appeal (37 CFR 41.37(c)(1)(vii)).
7. ☐ The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(viii)).
8. ☐ The brief does not contain copies of the evidence submitted under 37 CFR 1.130, 1.131, or 1.132 or of any other evidence entered by the examiner **and relied upon by appellant in the appeal**, along with a statement setting forth where in the record that evidence was entered by the examiner, as an appendix thereto (37 CFR 41.37(c)(1)(ix)).
9. ☐ The brief does not contain copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief as an appendix thereto (37 CFR 41.37(c)(1)(x)).
10. ☒ Other (including any explanation in support of the above items):

See Continuation Sheet.

/Everett R. Williams /
Everett R. Williams
Patent Appeals Specialist

Continuation of 10. Other (including any explanation in support of the above items): (1) SECTION IX, X: Brief does not contain the headings (ix) Evidence Appendix and (x) Related Proceedings Appendix. These sections must have a separate heading within the brief with a note of "None" if there are no Related Proceedings or Evidence present

(2) Section III Status of Claims: the status of claim 52 is missing.

(4) IN SECTION V Summary of the Claimed Subject Matter: The brief does identify claim 2 but does not identify independent claims (27, 48, 64, 78, 162, 163, 164, 165, and 166) and give a concise explanation of the subject matter defined in each of the independent claims involved in the appeal by mapping each independent claim to the specification by page and line number, and to the drawing, if any, by reference characters

Argument (6) ARGUMENT Section VII : A separate heading is required for each rejection listed in (vi) Grounds of Rejection to be Reviewed on Appeal. Each heading should contain claims on appeal, citations of authorities; statutes, and parts of the record relied on. Each ground of rejection must be treated under a separate heading. Each ground of rejection applying to two or more claims may be argued separately or as a group. Any claim argued separately should be placed under a subheading identifying the claim by number. .
